Chairman: Don McEwen
Secretary: Vacant

Affiliated to ASA South East Region

COACHING PRACTICE

Andover Swimming Club operates under the guidance of the Head Coach for the senior squad, and a Head of Teaching for the learning side of the club. Due to the current lack of ASA Coach qualified personnel the Head Coach position is filled by an ASA Level 2 teacher (with Module 4).

The teaching side of the club is run by the Head of Teaching who allocates teachers to classes. Each of the classes has a maximum of 12 pupils and is taught by an ASA Level 2 Teacher, most of the time these teachers are assisted by ASA Level 1 teachers.

The Junior Squad, of approximately 30, is coached by a Level 2 ASA Teacher (with Module 4), and he is normally assisted by up to 4 other Level 2 teachers.

The Senior Squad, of approximately 30, is coached by the Head Coach, with the assistance of one or two other ASA Level 2 Teachers (with Module 4). In his absence one of the other Level 2 Teachers steps in and follows the training schedule.

DJ Vaughan
