

Andover Swimming and Water Polo Club

www.andoverswimming.co.uk

Chairman: Nathan Williams
Secretary: Tanya Simmonds
Secretary : Michelle Buchan

Affiliated to ASA South East Region

After 1st April

ASWPC committee have been working hard over the last weeks to safeguard the future of Andover Swimming Club at a number of different levels.

In terms of training, we really appreciate the support many parents have given us in the temporary provision of training venues. This has not been an easy task and we are still trying our best to resolve some of the issues.

Please check carefully for your name/child's name against the relevant group on the web-site for times and dates. We have tried to keep siblings together where possible but this has not always worked. If there are problems please email using the email addresses provided on the web-site. We will do our best to respond within 24hours.

If you do not want a session that you have been allocated at all please let us know ASAP so that we can offer it to someone else. If you are unable to make all of the sessions allocated to you/your child that is not a problem – please attend when you can to your allocated session/s and we will be happy to see you.

There may be additional sessions that we can offer once we get the initial programme started – if you are interested then please let us know, particularly those swimmers who cannot make the sessions offered at present.

We have also put a copy of QMC's programme on the web-site. Some of their sessions are open to the public and would be suitable for older swimmers and parents to use as and when they want, but would not be pre booked or coach led. Swimmers would need to pay for these sessions on the door.

Payment - at present monthly subs cover one swimming session per week (up till now a Monday night, and ASA and club membership). All other swimming sessions are covered by Valley Leisure membership or payment on the door. The proposal, going forward, will be similar. First session will be at no cost and then swimmers will need to pay a contribution to all other swims to help cover pool costs and coaching costs. This will be agreed depending on what TVBC offer the club in relation to financial help and when we have a response from them.

Please make sure you do check for regular updates on the web-site. We will put details of competitions/open meets/results on there and try to keep you up-dated.

Thanks for your patience and understanding,

The Committee
